I'm pulling rank on El Presidente, Big Bill, and putting my bit first this month. I'm doing so to explain why this is a TEXT ONLY edition of the newsletter. I've been traveling for the past two weeks, and do not have access to my desktop system at home that houses my Photoshop and other cool photo manipulation and graphics creation software. That coupled with the need to get this out a week early, due to our earlier

meeting date, has necessitated some compromises.

So, Text Only this month – with the exception of the Famous Dave's reminder that I made before I left – then we're back to your regular programming next. Thanks to the eBoard members for getting me this stuff early.

Hi All! after another "GREAT" meeting, We move towards Memorial Day, the 4th of July, and of course " Labor Day"! Time goes by fast so enjoy it. Build, Party, or whatever, just enjoy! Nuff said!

With that said, a few things:

#1 A reminder, as reported in the last newsletter and at the last meeting, the next Meeting at the K of C in Garwood is moved up one week and is this Friday June 3rd. Remember 1 week earlier!

#2 The Annual NJIPMS Outing at Famous Daves will be Sunday June 12th from 1230ish to 330 ish. It will be at the same place we have it every year! Look in the newsletter for the flyer for further info. This year i added some and subtracted other items by comparing the consumption levels

given to me by Sandy the manager. You can look forward to the new recipe brisket. It's really good. The bar will be open from 1 to 3. Beer and wine and soda. If you have mixed drinks or shots, then you pay for them yourself. Remember 1 other thing. This is an event for families, not just members. Bring along loved ones. Just please tell me at the meeting if you're coming and an approximate number of family members so I can confirm at Famous Dave's. Have fun and drink

June already. How time really flies, especially when you get over a certain age. The Famous Dave's outing is upon us, June 12, 2016 at 12:30 pm. A good time should be had by all attendees. Don't forget it's the Dave's location in Metuchen.

The weather is changing for the better, a lot warmer and dryer. But if you are modeling it doesn't matter because you are inside and it has no effect on you. Take a break and get some fresh air and enjoy the weather before it gets to 90 degrees and 100% humidity. Take a day and visit your township park. I went fishing in Homdel Park and caught 3

trout. They were delicious baked on the grill with lemon butter. That park has a working farm that you can walk through, it contains most of the animals that you would think would be on a regular farm. So get out and smell the roses.

Guys please remember to keep Jimmy Merrigan in your prayers as he deals with his health crisis. We wish him the best.

## THE JUDGES TABLE

By Jon Da Silva

Hello all! First and foremost, I'd like to remind everyone that if you want to participate in the kit swap group build monthly contest: **BRING YOUR KIT IN THIS MONTH!** It can be unstarted, or half started it doesn't really matter. The idea is to have everything finished by November.

Here are the rest of the monthly theme nights for the year: July is Italian Night sponsored by Art Doran. August is Civilian

Night sponsored by Bill Schroeder, September is Sci-Fi Night sponsored by yours truly, October is Russian Night sponsored by Simon, November is the swap night and December will be when we have to have our Chrysler Group build finished by. There might be some stuff here and there, but otherwise that's all I've got.

In the spirit of keeping it short and to the point this month: I'm looking forward to seeing everyone at our annual BBQ at Famous Dave's. It's always a fun time and

they treat us like royalty there. Thanks BB for setting it up for us.

~Mike
