## THE JUDGES TABLE

By Jon Da Silva

Hello all, Strawberry and I welcomed a new model builder to our family since the last meeting. We had a daughter on May 21 who we've named Virginia. Look for her to do security at the next Mosquitocon. Nothing gets past her. I know we are having a BBQ soon, I don't know if it's this June meeting or one of the later ones. Always a good turn out for that .I'd also love to give a huge shout out to Joe Smith. Joe has always put his all into the club and deserves a Bravo Zulu from us all. I'm happy he was able to show me the ropes of the Treasurer role and will definitely reach out to him if I ever need guidance. Last note, no theme nights to far this year. Would anyone like to sponsor one?
